There was discussion regarding entering into a contractual agreement for an Interim Executive Director; specifically, Marc A. Starling.

Director Upshaw explained that the personnel committee had the opportunity to interview Marc A. Starling and another applicant for the position of Interim Executive Director. She reviewed his resume and certifications and added that a background check was performed.

There was a brief discussion, Commissioner Lewis mentioned that she had the pleasure of interviewing both candidates that had applied for the position. The personnel committee decided that Marc A. Starling was qualified and within the price range and location to fit the position.

The Board discussed some changes that need to be made to the contract provided by Mr. Starling. The Board stated the initial term should be for one (1) year instead of three (3) and the title should be Interim Executive Director.

A motion was made by Commissioner Lewis to go out of Executive Session and seconded by Acting Chairman Nichols. The motion was unanimously approved by all present.
