Public Session

LaShonda Holmes, 122 West Side Court, stated to the Board that she owns two dogs and they do not live with her. One is boarded in back of the Oak Dinner and it was documented last year in the local newspaper that it bit someone. It is too large to reside in her apartment although we will see dog food in her apartment and she walks it every morning. She has chosen to not allow our exterminator enter into her apartment and the day Ms. Dickerson tried to enter with the exterminator and was almost bitten she returned home with her dog and was upstairs.

A motion was made by Commissioner Sorrell to close the public session. Commissioner Brown seconded. All in favor.

**Guest Speaker Presentation** - Mr. Ralph Padilla, former Chief of Salem County Detective, and Dr. Robin Weinstein, former Salem County Deputy Administrator-Director of Human Resources, presented brief overview of services offered by the Padilla Group (TPG) which include but are not limited to Employment & Labor Law, Employee Relations, Compensation, HR Communications, Risk Management, Organizational Development and much more.
