Re: Developer RFP—Status of Prior Submission and Reissuance

The Salem Housing Authority acknowledges receipt of proposals submitted in response to the developer Request for Proposals issued on July 2, 2026.

The Housing Authority subsequently determined that the solicitation had not completed the required internal authorization process. Accordingly, any July 2nd 2026 solicitation is being withdrawn, and proposals submitted in response to it will not be evaluated.

The Housing Authority expects to issue a new Request for Proposals on Monday, November 23, 2026, through its website. To be considered under the new solicitation, interested firms must submit a new proposal in accordance with the requirements and deadline stated in that solicitation.

We appreciate your interest in working with the Housing Authority. If you have questions regarding this notice, please contact Jill Corin, Interim Executive Director, at jcorin@salemhousingauthority.org.

Sincerely,

Nina D. Williams, RPPO, QPA
