The law defines "Business Concern" as any person engaged in a trade or business, including a private nonprofit entity operating as an independent contractor, providing goods and services directly to a contracting unit or to a designated third party and operating pursuant to a contract with a contracting unit which requires either a single payment or multiple payments, but shall not include a "public utility" as defined in N.J.S.A. 48:2.13.

If funds are not allocated and available for the continuance of any services performed by the Contractor hereunder, whether in whole or in part, the Salem Housing Authority at the end of any particular calendar year may terminate such services. The Salem Housing Authority will notify the Contractor in writing immediately of any services that will be affected by a shortage of appropriated funds. The Salem Housing Authority may extend the decision to award or reject all proposals beyond the sixty (60) calendar days when the proposals of any respondents who consent thereto may, at the request of the Salem Housing Authority, be held for consideration for such longer period as may be agreed.

REJECTION OF PROPOSALS

The Salem Housing Authority reserves the right to reject any or all proposals, or to reject any proposals if the evidence submitted by, or investigation of such respondent fails to satisfy the Salem Housing Authority that such respondent is properly qualified to carry out the obligations of the RFP and to complete the work contemplated therein. The Salem Housing Authority reserves the right to waive any minor informality in the RFP.

EVALUATION PROCESS

An evaluation team will review all proposals to determine if they satisfy the proposal requirements and make a determination if a proposal should be rejected and evaluate the proposals based upon the evaluation criteria. The highest-ranking respondent will then be recommended to the governing body for award of contract, based on price and other factors. The Salem Housing Authority reserves the right to reach out to the respondents to obtain clarification on proposals on specific items if necessary, during the deliberation process.

If it is found that a respondent has attempted to discuss their proposal with a team member without an invite, then their proposal may be deemed unresponsive. All questions during the evaluation period shall be directed to the Purchasing Agent.

EVALUATION CRITERIA

The arrangement of the criteria is not meant to imply order of importance in the selection process. All criteria will be used to select the successful respondent.

This is based on the estimated duration of the tasks and the respondent's ability to accomplish these tasks as stated.

COST

Price shall be based on hourly rates and schedules of fees submitted with the proposal. Any services not included as part of any resulting contract scope of services must be approved and authorized by the Salem Housing Authority before such work is initiated. The Salem Housing Authority shall pay for such approved services, at the rate or cost agreed upon between the Salem Housing Authority and contractor and provided the respondent has provided a schedule of fees for additional services with this RFP.
